

Notification

Sessional Examination Attendance Regulation

- This is to inform all the students of B. Pharm, M. Pharm, Pharm. D and D. Pharm that assigning of assignments is completely withdrawn and the students are therefore instructed to maintain minimum attendance of 80%, in case of shortage of attendance the students will not be permitted to write their examinations.
- The students participating in any events or sports should obtain the permission in prior to participation, then only the attendance will be considered. In case the student fails to obtain the prior permission but still participates, yet no attendance will be marked.
- Students availing leave on medical grounds or participating in any events, the attendance will be considered for that applied duration only, in case the students attendance is not reaching up to 80% in spite of considering the leave duration, the students will be not allowed to write the exams.
- Medical certificates authenticity will be verified strictly, in case of any fake certificates submitted by the student's strict action is taken and a complaint is lodged.
